3RD MICHAELE WYNN JONES NUMEROLOGIST

Another fantastic evening with Michaele, we could of listened to her speak and demonstrate all night, she just oozes amazing information. Michaele really interacted with every one getting them to add up there date and birth month and telling us what the numbers mean, then linked with a few people reading their date of births.

So, so accurate One lady was told she needed to write a book, she said I have and it is just published, the second one coming out in November and working on the third now. When Michaele read her name, it is the numbers of an author, Absolutely amazing evidence.

**Michaele is one of our readers at our fair if you would like an in-depth reading.
Booking can be made in advance.**

~
10TH MICHAEL KINGSCOTE

It was great to have Michael back on our platform.
He couldn't work out what Lesleigh was on, with her antics and information she says to make people laugh and feel relaxed at the begining.

Some people have said that Lesleigh should write a book
about all her experiences.

So much positive information was being given out, multiple links that
Michael worked through, amazing evidence
that was blowing people away.

A true professional.

Thank you Michael for your work tonight

~

17TH PHIL TOWLER

It was fantastic to have Phil back on our platform after being away
for a time due to his other commitments.

Great links, great evidence, even giving Malcolm a wonderful accurate message, spirit certainly
know what is going on in our lives; they really do see the big picture.

Phil gave very meaningful messages.

One lady was given Colin, no she said Lesleigh knew straight away that Phil was referring to
Colin Fry, as she sensed his presence around Phil, "Oh yes" she said when Phil gave her him,

Wonderful deep messages from Spirit.

Thank you Phil for your work tonight.

SUNDAY 25TH SEPTEMBER MARILYN WEBB @ 11.00am

Well what can I say, you certainly need to be there to of had
the experience that we all felt.

It was the first time that Marilyn had visited the centre,
but it will not be the last. A true ambassador for spirit.

Her reading was about love that had been channelled by her spirit guides a while ago,
that was heart moving [n its self, then the address about Love was totally inspiring

Lesleigh was totally blown away and had a job to get the words
out while charring as she was still in the moment of Love.

Marilyn then linked with a few in the congregation. The first message was to a new lady.

Well what a first message. Tears & emotion, but then the lady was in
sobs of emotion, Lesleigh did her sign for a tissue, really she needed the
whole packet. Then Lesleigh was asking for tissues for certain people who
also were touched by her messages with watery eyes or tears streaming down their faces,
even Lesleigh sat there feeling spirit love with tears falling out of her eyes.

One amazing morning.

Thank you for much Marilyn for making the journey to visit us today.

& CREAM TEA AFTERNOON

It was a beautiful day, really sunny, the church was wondering if people were going to bother
coming out, but they were tempted with wonderful cakes. Yes they turned up,
not as many as normal though.

Malcolm had a interesting afternoon with interesting messages. Lesleigh did a couple
of drawings one was very interesting as the person knew who it was but would not accept
it as it was her brother in law, who was not a pleasant person on the earth plane,
but had grown in the world of spirit and just wanted to be forgiven.

DIVINE SERVICE WITH SPIRIT ART

An interesting morning, we arrived so early that we found a café and had a drink, the food coming out was awesome, but we had already eaten breakfast, but a slice of toast won't hurt, If you have a full tummy before you work the energy that you need to work is being used to digest the food so your links can be a bit sluggish.

A great morning of song, prayer, an address, messages and Spirit Art. Malcolm address was very enlightening, his messages bringing forward guidance and love and 2 drawings and information both accepted.
Thank you spirit for your work today.

LESLEIGH BADGERY
DIVINE SERVICE

As Lesleigh was driving along the seafront to Seaford, she was aware that the i360 was very busy, the day after it was announced that it had broken down oops!

The journey into Seaford was very busy.

There was Lesleigh asking the angels that she would get to the church in plenty of time, her wishes came true.

Everyone always expects Lesleigh to be doing Spirit Art, but not this time it was Lesleigh without her art.

The church had a great congregation with plenty of voices to raise the energy in song.

Lesleigh had a lot of people asking about the book that she read from and her address inspired from spirit resonated with the congregation.

Lesleigh did a few messages with off the wall information which were accepted.

Lesleigh spoke quite deeply to a lady afterwards which really helped her to move forward

Thank you Spirit.

FRIDAY 9TH SEPTEMBER 8PM

DEMONSTRATION OF MEDIUMSHIP & SPIRIT ART

Don't you just love the M25, delays at the beginning of the journey, then 20 minutes from our destination they closed the road because of an accident a few yards in front of us, oopps! 5 ambulances, 3 fire engines,

Fire chief and numerous police cars.

We were able to ring the centre to inform them of what had happened, the organiser would start and then we could continue, that unfortunately

wasn't to happen as the road was closed for over 2 hours. People were getting out of their cars and walking to see what had happened, the tail back went back to the M20 turn off. People were coming back with burgers and drink, you could see a party beginning. But it didn't help the situation Lesleigh & Malcolm found themselves in, at least they can both say that they have both walked along the M25. When it did open they went to the centre just as the evening was finishing. That has never happened before, quite an experience. We hope that whoever were involved makes a speedy recovery.
Thank you

ANIMAL HEALING WORKSHOP PART 11
WITH MALCOLM & LESLEIGH
SHOVELSTRODE RACING STABLES SHOVELSTRODE LANE,
ASHURST WOOD, EAST GRINSTEAD
WEST SUSSEX RH19 3PN
SUNDAY 11TH SEPTEMBER 10AM TO 4PM

What a beautiful day, the sun was shining the horses very relaxed; they have had their summer holiday by being in a field and being horses, now they will start to train again.

A meditation was first on the list, linking with our guides, getting ready to give and understand

Animal healing. We had a new lady who we know, but didn't know that it was her as she came via Facebook.

What an amazing experience she had, her words are below

Had an amazing day today, spending the day with Lesleigh and Malcolm, and 3 other lovely ladies - Barbara, Lyn and Janet - working on and learning about healing with racehorses.

Beautiful, spiritual location, magnificent beauties with so much power within, yet so vulnerable in a sense. Their height and physicality going from overpowering to a grounded respect, I haven't been around horses since childhood.

Learnt a lot, both from the horses as well as our leaders.

Feel very privileged to have been allowed up there, and in with the horses.

Emotional. Hand on heart, thanking all involved in the day, including the stable owners for their hospitality and trust heart emotion

A truly beautiful emotional day, the sun was beautiful, the birds singing, truly in God's garden, surrounded by nature.

These are two photos were taken on the day, but look at the first one there are 2 spirit rods on the ground by Malcolm's feet and then one on Janet's jumper tied around her waist, there were taken a nano second apart on a phone camera. Interesting!

The one on Janet's jumper was not seen first of all, it was put on here to show that the rod was not in the next one, but then visa versa.

An enlarged will be placed on our Facebook page

 DIVINE SERVICE

Another busy drive down to Portsmouth, they were waiting outside as we are usually there about 1/2 an hour before the service begins. But everything was okay, Malcolm's address was very interesting, there was a conflict going on outside as the window was open, this was slightly disturbing Lesleigh's reading but what followed by Malcolm guides was very enlightening.

Malcolm gave a few messages and Lesleigh did a couple of sketches which were taken along with the information. At least it was a traffic free drive home.

Thank you spirit for using us tonight.

There was only a few there as 4 people had to cancel, but the energy created was amazing.

The drums were singing together which was beautiful, at one stage the sound of the drum took Malcolm down in to trance state where he help the energy for about 45 minutes. An amazing experience for those there. We look forward to the next time where we can hear the drums singing, playing in harmony together.

PHILOSOPHY FROM THE PHILOSOPHY GROUP

ILLUSION

Everything's energy. Reality is an illusion. It's like seeing your reflection in water,
you put your hand in, and the image changes. It ripples.

You're in a play, there's many actors, and many waiting. You co-create your life,
this is how it builds. At any given moment you can choose a different way of being,
of seeing, of choosing people to be there on your stage with you.

All your life is planned out for you, and there's free will choices to take you
different ways and you'll find the best way for you given what you're bringing.
You'll match it. Because everything's energy, and like attracts like, and energy resonates on a soul
level, and will guide you home.

And where is home? Home is in your heart space, and your circulation
is the pump, pump, pump of energy in motion. It's movement even when you're quiet.

And when you're very quiet, and somehow in the zone, sometimes, just sometimes,
you can catch the landscape's instant formation as its taking place.

There's a back trail, a slight ripple in the space time continuum.

Which is also not real, as everything just is. There is no space, no time: there is here now and the
energy is pure life force. Vibrancy, colour.

Your earth is a passable imitation of where you've come from. You've done well.
And here? Such colours, such smells, such lushness, such abundance,
such beauty, such love.

The love will overwhelm you, so it's important to begin to know this,
to feel this where you are. You raise your vibration so, by choosing love.

And the more you connect, the more you will begin to see your world for what it is.

It's a necessary illusion, necessary for your growth. And as you grow you begin
to manipulate energy for the highest good. You rise and are raised and the world rises too.

The land lifting from the surface and taking itself for a walk.

We learn from you of the beauty of creation, of music composed and played to walk with you on your journey. We too walk with you, guide you, protect you, for illusory worlds are a powerful creation of your mind. And there is light and dark here,

And you choose to be in the light. It's where the energy is purest, on the threshold of your world and mine. Sometimes you'll feel a swirl, a back draft, and wonder where it's from. You look round and catch a glimpse, an infinitesimal glimpse, and it's so fast you question it.

And the questions move it far away. And yet you know, you've seen it and you can't hold on. You can allow it. Allow it to flow, give it space, give it energy, for everything is energy and energy does not decay.

It gets transformed. Choose well. Tread lightly.

Maintain a sense of humour.

Go with your flow.

The Simple Path

The simple path is the one I'm taking. The road less travelled. Till now. Just one foot in front of the other. Each step a reminder to let go, let God. This is my rhythm, the song of my footsteps, the call of my heart. Wide open.

All you need to know, feel, be, believe is love.

Love is the question and love is the answer.

And when you love, you send out light. An inner & outer radiance, a life force that has no beginning and no end. It just is.

Omnipresent. It's a constant. What drives you, holds you, supports you, enables you to reach out, be inclusive, for all is one and all is love.

Keep on track. Keep on the track. It's simple, and there is no track. So focus. Focus on how you want things to be. Notice where things aren't how you wish them to be. Let them in, notice them, & let them go. Don't hold onto old ideas, old judgements that only define you, not the object of your noticing.

Start simple on the path. Take ten minutes, and a seed tray.

Fill with compost, a growth mechanism, plant your seeds, tend them with love, compassion, empathy, what they need to grow. Water, sunlight & soon they'll need feeding and notice what it is you're growing. Are they healthy? Leaning to the light? Upright? Stable? Are the roots developing well? For whatever it is you're growing needs firm foundations, a place to plant it's feet & develop feeder roots from Mother Earth and all her bounty.

And in a macro way, as you progress along this path, you are aware that things rise up to meet you. You're resonating on a higher vibration, a God spark attracting like iron filings in a Petri dish.

Silver mercury with wings on his feet assisting communication. Share.

Share your insights with those you love if you deem it fit, and remember,

for all of us the journey is inward. We find our own truth, our own joy, our own happiness, our connection, from within.

Release the judgements, let them fall clattering against the walls you've built and watch them disintegrate and turn to dust. Gold dust. For there are great riches within, waiting to be asked to be in your life, to construct your life into something new and breathtakingly simple. All there is, there ever is, is now. This moment. The energy that drives this thrust is love.

Live now and live in love. A love so vast that it will find you everywhere. Plant your seeds, give them love and watch them glow. Watch them grow. See the energy they are exuding. Every single thing is alive. It's love. It's energy. Transforming.

The trees didn't get here by accident. They chose to be here. And you too chose to be here, and you can change your script in a heartbeat. So do it. Do it now. And grow forever.
